Phrasal verbs to sound more fluent use as many phrasal verbs as you can to make sentences smooth.
as they are verbs so we can change forms also.

• Common phrasal verbs:

1. About to : going to happen.
2. Yet to : to be pending
3. Blank out : to be unaware about something.
4. Acquainted with : to be familiar with.
5. Come up with : to think of idea / solution
6. Run into : to meet someone by chance
to encounter difficulties.
7. Give up : stop trying.
to surrender.

etc.

there are many more use them.

To sound more fluent always try to use contraction form.

(Helping verb + Not) : isn't, aren't etc.

(Subjective pronoun + Helping verb) : I've, We're, He's

He has He is
